Frequently Asked Questions:

How long will we have the garden for?

The garden is privately yours from 1pm until 6pm for the afternoon wedding hire package. And from 1:30pm until 8pm in the full wedding exclusive hire package. We can arrange transport for your group if you wish to go on somewhere else, all together, after the ceremony and meal.

We would like the afternoon wedding package, can we hire the garden if we want to stay after 6pm?

No, this isn't an option I am afraid. However if you have enough guests, we can offer the full venue hire, which mean you have exclusive use of the venue until 8pm. Or we can recommend places for you to enjoy a party afterwards.

What happens if the weather is bad on the day?

The garden tent is waterproof, and we will use the main terrace, which is covered, for your wedding, and your meal. Usually it doesn't rain for so long here, so we can usually still use the garden for your ceremony.

Can we bring our own music?

Yes, you can, The easiest option is, if you want to create your own Spotify playlist, we can then play this through our sound system. Additionally we can play a track of your selection for the bride to walk down the aisle to, and the post ceremony song.

We cannot have live music, apart from an acoustic set in the afternoon. The volume will be controlled by the management.

Can we make changes to the wedding menu?

Yes, absolutely. However please note that this may incur an additional fee if the items are more expensive that are being added.

Do you have any recommendations on where to have a party afterwards?

Yes, we highly recommend going to Itaca. It is about a 5 minute walk from Tapas. Several of our wedding parties have chosen this option and have been extremely satisfied with the service they received at Itaca.

Wedding Decor

We have a few simple rustic items of decor that can be used as part of your hire fee.

A selection of mixed Jars with brown string

White candles

Hendricks Bottles

A selection of clear wine bottles vases

Rustic Wooden Plinths x 10

Metal bird cages x 4

Decorative Hearts

A rustic picture frame within a large wooden frame which can be used as a photo booth

A children's teepee

What do couples usually bring with them?

Usually couples bring a few of their own personal items with them. Such as name tags, favours, table numbers, table plans* and any other details special to them to personalise their day.

**Please note we can assist with the table plan.*

The Party

As you are already aware, we cannot have loud music at Tapas. So we highly recommend taking your guests a short walk up the road to Itaca's roof terrace. It is about 5 minutes from Tapas to Itaca. Here you can party until as late as you like. And no need to arrange transportation for your guests.

We can also recommend DJ's or live music to keep you guests entertained.
